sense and simplicity

Hair clipper
Easy Reach 180°

QC5560/15

Highlights

180° rotating head

The rotating head gives you total control over the clipper's angle, so you can turn the head to reach even the most difficult areas with ease.

8 lock-in length settings

Turn the integrated zoom wheel beneath the clipper's head to select and lock in the length setting you want. The adjustable comb provides 8 length settings from 3mm to 15mm, with precisely 2mm between each length. Or you can use it without a comb for a close 0.5mm trim.

Skin-friendly

The rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable trim.

Corded use only

Efficient Power System: corded use

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

Easy to clean

Simply pop the head open and use the cleaning brush included to sweep away loose hairs.

Rubber grip

The soft-touch rubber grip ensures optimal hold, for better control when operating.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee, worldwide voltage compatibility.
